

Dear Valued Customer,

Welcome, and thank you for your continued custom at Elaine's Tearooms Ltd. 2009 has been a very tough year for us, indeed most businesses, with the Credit Crunch taking place, an increase in staff minimum wages and an increase in the majority of our stock costs, business and service rates, i.e. gas, water, electricity etc. On the plus side, we've expanded and improved our customer seating, introduced a Parent & Baby Room which supports Breast Feeding Mothers and have, at an extra cost to us, performed vigorous Recycling as well as upgrading our lighting to Energy Saving bulbs.

We have kept our prices at the same level throughout all of this economically unstable period, whilst other establishments in Town and the surrounding area have increased theirs. Sadly, times are such that we can no longer maintain these prices. We do hope you appreciate the fact that we have not increased our prices throughout a very difficult time, and therefore we also hope you will understand why we have had to assess and increase some of our prices.

As we enter our 6th year of trading we hope that the service and quality of food you continue to receive is as good as it was before the credit crunch occurred!

Elaine & Rob Renée

PS The final member of Elaine & Robs 5-A-Side team is due in February 2010. We'll let you know whether it's a boy or girl...
